

Your Tower Team

Roger Chadwick has been the senior Tower Ward councilman, known as a Deputy. Last year he completed his term as Chairman of the Finance Committee, steering the City's finances and acting as one of the senior elected members for the City. Roger will use this experience to continue to serve on the Finance Committee as well as acting as Chairman of the Board of Governors of the City of London Freeman's School, and serving on our executive Policy and Resources Committee.

Anne Fairweather has worked on public policy issues for a number of business associations, from the CBI to REC, the trade body for recruitment agencies. In recent years she has concentrated on financial policy developments for the banking and pensions sectors. She currently works for Nationwide Building Society leading on EU policy and Brexit matters. Anne will continue to use this experience to ensure that the voice of Tower ward businesses is heard and understood as we exit the EU.

March 2017

RE-ELECTED FOR FOUR MORE YEARS

We were delighted to learn that Tower Ward was uncontested and we were all re-elected to represent you for another full term as your Common Councillmen.

We stood as an independent team who wanted to continue representing you as is the City's tradition and it is an honour to carry on in these roles for you. We shall continue to devote our energies to ensure the City provides first class services and remains an attractive place to live and work.

We will be officially sworn in at the annual Wardmote on March 22nd 2017. The Wardmote is opened by the Ward Beadle and presided over by your Alderman, Sir Paul Judge. We have an opportunity to update you on our Ward and City work and for you to ask us any questions or raise issues directly.

We truly appreciated all the support you have given us. We look forward to working and representing you for the next four years.

*"Thank you from
Your Tower Team"*

Our pledges to you:

Staying in touch – the team has been responsive to our voters' concerns throughout the past 4 years. We have put your concerns at the heart of our work and we will continue to do so.

Responsible Licensing – Ensuring that the balance between residents' concerns, over noise and nuisance, while keeping our City as a place of wonderful bars and restaurants.

Improving our environment – We believe the City of London Corporation should put improvement of our air quality and road safety at the heart of their work in the coming four years and will work for the continual improvement of Tower ward as a place to work and live in.

Keeping the City competitive as a place to do business –

the world is changing, from Brexit and a new administration in the US to the opportunities of the far East. We will work to ensure that the City of London Corporation forges new trade partnerships abroad and works to keep the City as the premier destination for financial and professional services, attracting talent and tourists alike to our historic and vibrant capital.
